Single Point Lesson #205

How's your hoist?

X	Basic Skill
O	Counter Measure
O	Accessibility
X	Safety
O	Mistake Proofing
X	Productivity

- Do not use until properly trained in the operation of the hoisting device!
- Do not operate if the hoist is damaged or not operating correctly!
- Do not tip load the hook!

- Inspect your hoist and BTHD (below the hook devices) daily!
- Test the unit before loading to ensure proper operation.

We enjoy hearing from our subscribers. If you have ideas that you feel would be a great Single Point Lesson, send your ideas to: **jkravontka@fando.com**
