Dear Karianne,

Thank you for your email.

It isn't necessary to register for use of secondary data, but please make them aware that their license lapsed in October 2018.

Kind regards,

Gerben Bakker

Subject: EQ5D use

Hello

I am writing a Masters thesis about pain i elderly. I use register data from Oslo Pain Registry (OPR) in Norway

They have an license agreement with you.

Do i need to have my own approval from you to use this data in my work?

--

Mvh
