

JackCpp::AudioIO

```
graph BT; JackClientAudioEngine --|> JackCpp::AudioIO
```

A UML class diagram illustrating inheritance. The class 'JackClientAudioEngine' is shown at the bottom in a grey-shaded box, and the class 'JackCpp::AudioIO' is shown at the top in a white box. A solid blue arrow points from the bottom of 'JackClientAudioEngine' to the bottom of 'JackCpp::AudioIO', indicating that 'JackClientAudioEngine' inherits from 'JackCpp::AudioIO'.
